

First Investors Funds

Notice for Broker/Dealers

Please be advised that on July 5, 2006 the First Investors International Fund, the newest addition to our Equity Fund Series, will be available for purchase. The First Investors International Fund's primary objective is to seek long-term capital growth. Orders will be accepted by telephone and via the NSCC Funds/SERV system.

First Investors International Fund

| Class | Fund Prefix | CUSIP | Minimal Initial Investment ¹ | Maximum Front-End Sales Charge | Maximum Contingent Deferred Sales Charge | 12b-1 Fee ⁵ |
|-------|-------------|-----------|---|--------------------------------|--|------------------------|
| A | 43V | 32061M852 | \$1,000 | 5.75% ² | N/A ³ | 0.30% |
| B | T3V | 32061M845 | \$1,000 | N/A | 4 % ⁴ | 1.00% |

¹ The minimal initial investment for First Investors Traditional IRA or Roth IRA is \$500.00. Other retirement accounts may have lower initial investment requirements at the Fund's discretion. Please see First Investors' Shareholder Manual or the Fund's prospectus for additional investment information.

² Reduced front-end sales charges for Class A shares are available with purchases of \$100,000 or more.

³ A CDSC of 1.00% will be assessed on certain redemptions of Class A shares that are purchased without a sales charge.

⁴ Declines from 4% to 0% over a six year period. Class B shares convert to Class A shares after eight years.

⁵ Trail Commissions begin to be paid after month 13.
